

GODBLESS UMUKORO

1xx1 Chancellor Dr. Winnipeg, MB R3T 4B8 | +1 431-588-8249 | www.godblessumukoro.me | umukorog@myumanitoba.ca

EDUCATION

University of Manitoba

Sept 2018 – April 2022(Winnipeg)

Bachelor of Science, Statistics

Mathematics Minor

TECHNICAL SKILLS / PROJECTS

SKILLS/TECHNOLOGIES:

- R | Excel expert | Python | Java-script | C++ | HTML/CSS | ReactJS | Node Js | Tableau | Microsoft Office
- Experience with full stack web development
- Data Analysis, Modeling, Statistical Research
- Gathering data findings, making reports and breaking concepts to an understandable level

PROJECTS:

RentYourCar

- Designed A web-based application where anyone can rent out their car
- Implemented a map box API which displays an interactive map of the total cars available in any area.
- Assembled a user login/logout authentication to stop access from account created by a different user
- Deployed the app into the web and maintains the application

Exploratory data analysis

- Applied Statistical techniques to datasets to find questionable insights
- Summarized data set characteristics to find critical points for better understanding before modelling
- Created various graphs for visualizations and finding distribution pattern of our data for report

Binary Search Algorithm

- Programmed an algorithm to find the position of an item in an array and print out the item
- Converted a text file into an array and sort the array accordingly to test the algorithm

EXPERIENCE:

Line Supervisor (The Canadian brewhouse) - December 2018- Oct 2020 (Winnipeg)

- Trained, coached, and supervised new staff members
- Pitched ideas on how to improve performance and efficiency
- Helped management to identify workflow issues and find solutions

Mathematics Peer Tutor -Sept 2019- April 2020 (Winnipeg)

- Help students understand calculus and mathematical analysis
- Break complex problems into small bits for better understanding
